TRANSITION ASSISTANCE PROGRAM  
**JAN 30 ■ 9AM-3PM**

Retirement and transitioning can be an exciting time. It can also present challenges for your family that you can prepare for in order to eliminate unnecessary stress and hardships.

Formulate your plan for the military to civilian transition together by reviewing popular topics that impact our transitioning population. Discuss psychological aspects of change, finances, medical coverage, and resources that can help you find answers.

TAP Too is specifically developed to help military spouses from all branches of service.
